GOVERNMENT OF INDIA
WATER RESOURCES
LOK SABHA

UNSTARRED QUESTION NO:4966
ANSWERED ON:26.04.2000
BISALPUR DAM
RASA SINGH RAWAT

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether all the phases of the Bisalpur Dam Project have been completed;

(b) if so, the details thereof;

(c) the cities/towns to which potable water would be made available and the areas to which irrigation facilities are likely to be made available after the completion of the dam;

(d) the total amount spent on the construction work of this dam;

(e) the number of villages likely to be submerged after completion of this dam;

(f) whether the State Government has decided to rehabilitate all the displaced persons and has requested for more Central funds for the purpose; (g) if so, the details thereof alongwith the assistance made available by the Union Government for this purpose; and (h) the time by which all the displaced persons are likely to be rehabilitated?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES

(SMT. BIJOYA CHAKRAVARTY)

(a) & (b) The details of completion of the various phases of Bisalpur Dam Project are given in the enclosed statement.

(c) The project on completion would provide irrigation in Tonk & Sawai Madhopur Districts of Rajasthan and drinking water supply to Ajmer, Beawar, Kishangarh, Jaipur and en- route towns and villages.

(d) An amount of Rs. 223.69 crore was spent on Dam upto December-1999.

(e) 25 villages are affected fully and 38 villages partially on acount of submergence.

(f) to (h) Irrigation being a State subject, rehabilitation and re-settlement of affected persons is done by the concerned State Governments themselves out of their own resources.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) & (b) OF UNSTARRED QUESTION NO.4966 FOR ANSWER IN THE LOK SABHA ON 26.04.2000 REGARDING BISALPUR DAM.
